

Slice

Powerfully expressive, slice is the result of simple but incisive geometric operations. The lithic conic support is split by a neat, oblique cut. The 2 shifted portions challenge the force of gravity and support a 3/4" table top that can be realized in a wide spectrum of natural stone, glass or solid wood.

Handcrafted in Italy

SLICE

DIMENSIONS:

SL140

D 55" (140 cm)
H 29" (74 cm)
S 15.75" (40 cm)

SL180

D 72" (183 cm)
H 29" (74 cm)
S 19.5" (50 cm)

SL200*

D 87.5" (200 cm)
H 29" (74 cm)
S 19.5" (50 cm)

MATERIALS

Table top:
3/4" thick natural stone
1 1/4" solid wood
Tempered glass

Support:
Natural (see materials p. 3)
